- *Show you how to do this with both ancient and cutting edge modalities that create lasting change*

- *Teach you how to use link your rational mind with your intuition*

Even though Maggie is mainly known for her work as a professional Astrologer her new 'Adventures in Consciousness' program IS NOT an ASTROLOGY course, but rather a synthesis of Maggie's extensive knowledge of psychology & energy systems...or CONSCIOUSNESS.

In PART 1 of the adventure we explore different types of consciousness & what's in for you.

In PART 2 we learn how to link our Ego & Soul.

In PART 3 we add our 'Mind' to the equation...and how to master it.

In PART 4 we become our own 'Therapist' so we can release old limiting unconscious 'programming' & create powerful prosperous new outcomes for life.

Over the past few years we have begun to pass through the most awesome evolution that humans have ever known...yes in history! So are you ready to step forward into a whole new reality system?
