

One-day seminar on  
*Saturday 2nd February*  
 @ Nerang on the Gold Coast

Please join me for my Annual one-day overview of the year ahead - 2019!

SO MUCH to talk about my friends as THREE planets + the nodes change sign in 2019 initiating a very different set of energies to propel us forward!

- **Jupiter** sprinting through his home sign Sagittarius - previous 2007 1995 1983 1971 1959
- **Saturn** continues in his own sign of Capricorn - previous 1989/90 & 1959/60 & 1929/30
- **Chiron** enters Aries for first time in 50 years – previous 1968/76 & 1919/26
- **Uranus** enters Taurus for first time in 84 years - previous 1934-42 & 1850-57 & 1767- 1774

As we step into the final year of this epoch changing decade, what do the planetary forces underpinning our global evolution have in store?

Please join me for my annual gathering of the tribe to share some insights & do some brain storming for how we can equip ourselves to take advantage of the 'good bits' as we also manage the 'challenging bits'!

We are now only a year away from the 2020 'Global Reset', as Saturn & Pluto & Jupiter all join forces in Capricorn! Only twice before in history has this happened in 2866 BCE and 1284 ACE...got it!!!!

So how does Jupiter in Sag feed into this as he brings his extreme forces to play? And what about the Karmic Nodes and Eclipses moving into Cancer/Capricorn.

And then comes Saturn's meeting with Jupiter in Aquarius in late 2020, opening a new 960 year cycle in Air Signs...hallelujah it's finally time for the Age of Aquarius!!

Book in and put it in your new diary NOW!

All welcome at any level of Astrology. You may order recordings of the workshop if you cannot attend. **Don't forget to bring your chart as I will offer personal insights along the way.**
